Usui/Holy Fire II ART/Master

The ART/Master training combines both Advanced Reiki Training and the complete Usui/Holy Fire II Master training into one 3 day class which is usually taught during a 3 day weekend. Class times are 9am to 6:30pm each day.

To qualify to take this class a student must have taken Reiki I&II and must be able to draw the 3 Reiki II symbols from memory. The student must also have practiced Reiki II with competency for at least 6 months.

In the process of learning the healing techniques, Experiences, Placements, and Ignitions and taking part in the guided meditations, each student will receive many healing experiences.

Advanced Reiki Training

- The Healing in the River of Life Experience.
- The Usui/Holy Fire II Master Placement which increases the strength of your Reiki energy and empowers the Usui Master symbol.
- The Usui Master symbol which increases the effectiveness of the Reiki II symbols and can be used for healing.
- Practice using the Usui Master symbol for treatments.
- The Pre-Ignition.
- How to make a Reiki crystal grid that will continue to send distant Reiki to yourself and others after it is charged.
- Reiki aura clearing that allows you to remove negative psychic energy from yourself and others. Employs questioning techniques to locate the source of the issue to be healed.
- Discussion and examples for counseling or other clinical practices.

Reiki III/Master

- The Ocean of Holy Love Experience.
- The Holy Fire symbol for a total of five symbols for the entire system.
- Both Usui/Holy Fire II Master ignitions and the Healing Fire Ignition are received.
- Instruction on how to give Reiki Placements for Reiki I&II and ART, the pre-ignition, both ignitions for Reiki Master and the Healing Fire ignition.
- The Holy Fire Healing Experience that can be given to anyone and directs the powerful Holy Fire energies to heal.
- How to give yourself Experiences, Placements and Ignitions to enhance Reiki energies

- The values and spiritual orientation of a true Reiki Master.
- How to teach including going over the class outline as well as how to develop and promote your Reiki business or to integrate it with your existing practice.
- 186 page class manual by William Lee Rand.
- Professional Certificate
- 24 CEs for licensed professional counselors and massage therapists.

Instruction is given on the Usui/Holy Fire II system of Experiences, Placements and Ignitions. The Holy Fire Healing Experience and Aura Clearing (psychic surgery) is given and received by all students with discussion on the practical application within one's own practices. This class is a powerful healing experience. While the content of the class will allow anyone to pass the ability to do Reiki on to others and to teach if one chooses, many take the class for their own use or to enhance their clinical skills to work with clients.

Cost is \$850.00 with a \$275.00 non-refundable deposit. Register on-line or by USPS. Either way, please submit the completed registration form. Thank you!
